

# RETROFIT DOWNLIGHTS

## Square Lens Audit

JOB:	Voltage	Dimming	Square RS	Cylinder RCV
LOCATION:	1-120V	Yes	RS113 / 1-13W	RCV113 / 1-13W
	2-277V	No	RS118 / 1-18W	RCV118 / 1-18W
			RS126 / 1-26W	RCV126 / 1-26W
			RS132 / 1-32W	RCV132 / 1-32W
			RS142 / 1-42W	RCV142 / 1-42W

\* Requires remote ballast.

### SQUARE RS

Square recessed cans shown with common trim types, Delray provides lamp and ballast holder for hard wire retrofit.

Measure interior space.

**RS100 series** Single lamp Square retro kit.

**RS200 series** Double lamp Square retro kit (shown with optional reflector R).  
2 x 32/42W models require remote ballast for proper thermal management.

**Dimming not available for Square or Cylinder retrofits.**

### CYLINDERS RC

Cylinders shown surface, pendant, and wall mount.

**RCV100 series**  
Cylinder retro kit with reflector.

Give inside and outside dimensions of cylinder, and distance between existing holes for socket bracket.
